

SUNSHINE IN A BOX

Issue 4 Volume 4

July 3rd, 2017

IN THIS ISSUE

Summertime

Farm Updates

Rain continued this week on the farm along with the 100 degree day on Friday. So far the weather has produced abundant vegetables and weeds. Summer crops are coming along nicely and there should be tomatoes, beans, summer squash and peppers soon. Enjoy your 4th of July!

Note on CSA Boxes: Thank you for respecting and caring for the CSA boxes. It saves a lot of time and confusion to have all the boxes returned every week! Please make sure if you send friends or family members to pick up that they know the instructions so there is not a misunderstanding. Thanks!

Week 4 Produce
